September 17, 2015

AT&T presented Communities In Schools of Palm Beach County \$25-thousand dollars, as part of its “Aspire Education Initiative”. The AT&T leadership and staff awarded the check during a special presentation today. Communities In Schools of Palm Beach County executive director, Margaret Bagley, said “We plan to use the funding to help connect students with critical resources. Dr. Robert Avossa, superintendent, and Marcia Andrews, school board member, were on hand to congratulate Communities In Schools and thank AT&T for their continued support of students in the school district of Palm Beach County.
